Scripture Reading Plan
Week 2

I recommend using the **READ*REFLECT*RESPOND** Bible study method as you work through this week's passage. Here is a brief summary:

Read —

- Slowly read through the verses a few times. It may also be useful to read the verses aloud or listen to them via YouVersion or another Bible app.
- Make note of words or ideas that stand out, are repeated, or you are unclear about.

Reflect —

- Identify the main idea or focus of the verses.
- Write out a short summary of passage.
- Choose a key word or phrase to help you remember what you have read.

Respond —

- Using what you have read and written, reflect on what you have learned about God and about yourself.
- Pray for wisdom and understanding to apply what you have gleaned in your life.
